Perforated false bottom 1/2-size gastronorm clear polycarbonate for steam table pan

Transform your 1/2-size gastronorm steam table pan in seconds with this perforated false bottom by Pujadas. The strong polycarbonate promises years of use, while the clear design ensures excellent visibility. The even perforations allow excess liquid to drain away, preventing soggy or oversaturated food items. This false bottom also elevates the food in the pan for improved visibility and accessibility during serving. The temperature range of -40°C to 130°C (-40°F to 266°F) is ideal for coolers, freezers, pantries and microwaves, offering impressive versatility.
