Four-level chocolate fountain 23 centimeter 230 volt 250 watt stainless steel

The chocolate fountain by Pujadas is the perfect choice for any lavish event. The four tall tiers create a smooth flow of melted chocolate, heated to just the right temperature. The stainless steel provides impressive durability and longevity, as well as easy cleaning, and the simple temperature and speed controls promise seamless operation. The adjustable feet ensure a stable, level base, and the 1200-milliliter capacity is perfect for high demand.
